

Business Bill Pay

Business Bill Pay is accessed through Business Online by selecting the **Payments & Transfers** tab on the bronze title bar. Select "Add a Bill" to search for an individual or company. Once your biller is registered, you can schedule automatic payments. An ACH payment cannot be completed if the biller is not registered through CheckFree. In these instances, CheckFree will deliver a check via U.S. mail from your business account.

Bill Reminders

You can set up reminders to help you track when your bills are due. We alert you of any electronic versions of your bills you've set up too.
